April 15, 1959 - February 9, 2023

Danny Leonard Bowman Jr. was born on April 15th, 1959, in Everett, WA and passed away February 9th, 2023, at Mid-Valley Hospital in Omak, WA while surrounded by his siblings.

For the last 6 years he lived in Omak where he enjoyed spending time with family and friends, fishing on the Columbia River and in many lakes including Lake Conconully on his boat he worked hard to fix up. Prior to moving to Omak, he lived in Fairbanks, AK where he lived for close to 25 years. He was a hard-worker and worked as a crane operator for several years prior to retiring. He was a good-hearted person that lived a simple life, he loved animals, always had a smile when talking about his grandkids, loved to help others when he could, and told the best stories about all his wild and crazy adventures.
