“ I had a bad person in my house, & so once Andres was a Apt caretaker on the coast at that time, he went to the window, which was pretty high up, slid the window open, hoisted himself up thru the window, the lipped himself in, pulled the druggie out of bed by his feet, told him to LEAVE NOW! The guy woke up we he his head hit the floor was τMWho are You?"
Andres answered: Someone you don't want to deal with again!" The man ran for the door to escape...
