

Cory John Lockwood

July 4, 1991 - June 16, 2024

Cory "CJ" Lockwood, born in Omak, WA, on July 4, 1991, left us far too soon on Father's Day, June 16, 2024, near Lynden, WA. CJ was a beloved son, brother, friend, and partner, known for his hard work, generous heart, laughter, and infectious smile, which lit up the entire room.

CJ came into this world with a bang, born on Independence Day, bringing joy and laughter to the lives of everyone he touched. He grew up in our little town of Omak, where he created countless memories, friendships, and lifelong bonds with so many. CJ eventually moved to Seattle, WA, and then to the greater Phoenix, AZ area, where those memories and friendships expanded to so many more. His passion for athletics, from which he excelled, setting countless records in High School, propelled him into his new love for personal training and bodybuilding, where he changed the lives of so many. He was well on his way to earning the highly sought-after IFBB Pro Card, which we all knew he would achieve.

CJ will forever be remembered for his dedication to his craft, kindness, ability to make anyone laugh, unwavering love, and unbreakable bond with his family and friends. His legacy will live on in the hearts of all who knew him.

CJ was starting his new life in Lynden, WA, with his girlfriend, Hannah, of multiple years. They were to begin a new life and thriving relationship, sharing

countless joy-filled experiences and creating countless memories. The happiness they shared was something few found.

He is survived by his loving father, Rich, mother, Lorri, brother, Chris, partner Hannah, and many cousins, aunts, uncles, and grandparents, all of whom will miss him dearly.

CJ's life will be celebrated on Saturday, June 29th 2024 at 1:00 PM PST in the Omak High School gymnasium. In lieu of flowers and other items, the family requests donations to his scholarship fund, which will be given to a deserving student who exemplifies the same values CJ did.

CJ, you will be deeply missed, but your light and spirit will continue to shine in our hearts forever. May you rest in peace, dear brother, son, and friend.

“ Cory was a student in my elementary class. I will always remember him as one of the high points of my many years of teaching. He was always kind, considerate, respectful, and eager to learn. A real joy to have in class.
My heart goes out to Lorri and Rich in this most difficult time of life.
