

Craig Louis Vejraska

December 4, 1947 - October 23, 2024

Craig L. Vejraska passed away unexpectedly October 23, 2024 while doing one of his favorite chores of watering his Black Angus cows. Craig was born in a blizzard by flashlight in Pawnee City Nebraska, December 4, 1947. He spent his early years between Nebraska and Texas then to Omak where he attended Saint Mary's Mission Catholic School and the Omak public school, graduating from Omak High in 1966. He graduated from Eastern Washington University in 1970 with a degree in Government and was a member of ROTC. While attending EWU, he was initiated into the 1967 class of Pi Kappa Alpha Fraternity Brothers as the 54th member of the ZetaNu Chapter in Cheney.

Craig grew up farming and ranching in Okanogan County, starting with Angus cattle in 1960 having purchased an Angus heifer for his 4-H project. He liked to say the ranch was his "run away 4-H project". He was an entrepreneur even in college selling life insurance while attending EWU. His first official job after college was as a salesman for International Harvester and he continued selling insurance. The move to the Royal Slope in 1971 was made after a long talk while selling an International Harvester Tractor to Mike Brown. Craig and his family spent years farming the ground on the slope and ranching. Craig married Mary K in 1986 and they moved to Omak in the Fall of 1988. Craig continued with the insurance business, purchasing North Valley Insurance in 1987. In the Fall of 1989 Craig became an owner in the Okanogan Livestock Market, and continued to be very involved in the cattle industry. Craig enjoyed

serving on many boards of various cattle associations and other boards over the years. He was most proud of being a member of the Washington State Beef Commission representing the Cow Calf Industry, a past Okanogan County Commissioner and a Graduate of the Washington Ag Forestry Leadership Program.

Left to cherish his memory are his lovely wife Mary K; Sons- Jason (Jennifer), Todd (Katlenia), Scott and Ryan (Carlan). Grandchildren- Cameron, Jaxson, Kelsey, Caleb, Kacie, Arlee, Kady, Vance, Henry and Jase. Great Grandchildren Ideya and Dali.

“ *The Okanogan and Angus community lost a wonderful man with Craig's passing. Honest, fun to be around and truly caring about people and improving the Angus breed he will not be forgotten. But his legacy will be his family. Craig and Mary Kay raised wonderful children who in turn have raised exceptional kids, all involved with the ranch. There is not a cull among them and Craig was the paterfamilias. It was my good fortune to have Craig for a friend.*

*I met Craig 70 years ago as classmates at Christ the King Elementary school. As the years past our friendship would ebb and flow as life took us in different directions, but along the way he would be my best man at my wedding. I would be in his wedding. He would be with me when my son John was born and at his celebration of life. He was the God Father to John. We would befriend each other through divorce and remarriage and discover that marrying someone with whom we had something in common pays off. We were roommates through most of our college years and celebrated the birth of two of his children Todd and Scotty and my daughter Erika. At 76 years of age to have a friend with such common and shared experiences is truly uncommon. Rest well old friend, even though we haven't seen much of each other the last several years I have lost a part of myself with your passing.
My sincere condolences to his family.
