“ *My condolences to family and friends.*

Fran was a wonderful person. I met Fran when I came to work for the casinos years ago and she was one lady who knew her job. Fran was a Tribal Gaming Agent and was very instrumental in making sure the tribal-state-federal gaming laws and regulations were followed and enforced. She was very passionate about her work and she mentored the new incoming TGA taking that responsibility very serious.

Fran was a beautiful person, her kindness and laughter will be missed. Rest in Peace my friend.
