

Janet Richter

December 20, 1961 - March 10, 2022

Janet Kaye Richter had the joy of reaching Heaven, on March 10, 2022, seeing the face of Jesus, Mom, Dad and all the rest of those she loved who were there to greet her.

Janet was born on December 20, 1961 to Louise and Joe Richter in Havre Montana. Shortly thereafter the family relocated to Omak Washington. There she resided until she was 18 years old. Before she was to graduate Janet suffered a severe brain stem injury that left her disabled and requiring the care of an assisted living adult home. She ended up residing at Delta Head Injury home in Snohomish Washington the majority of her adult life. She made many long lasting friends with staff members and patients alike. Janet wanted all the things we all wanted...she just had to wait a bit longer to get them. She got to experience a relationship with John. They shared and enjoyed movies, cards, games, attending Delta special events, outings, food and church and her love of a red or golden crispy apple. Not necessarily in that order. She was happy. Her family will be forever grateful to those who cared for her. That care, allowed her to live the life that brought her joy even in the hardest of situations.

Janet passed away at Swedish Hospital Issaquah from a short term illness. She was preceded in death by her parent's Louise and Joe, her niece Jennifer Harrison. Her grandparents and numerous aunt's, uncle's and cousin's. Her

roommate Shar with whom she shared a living space at Delta for 20 +years.

Janet is survived by her brothers: Myron wife Kathy, Clyde, Walter, Wayne wife Michelle and Jeff wife Lynn. Sister, Cheryl Hill and husband Larry. Numerous nieces, nephews and great nephews and nieces. Her extended family from Delta Head Injury Rehab Center.

There will be a private family gathering later this summer.
