She worked for many years in the apple industry packing apples first for Holt in Omak and retiring from Stemelt in Wenatchee. Judy enjoyed going on family picnics, camping, taking rides in the country and taking pictures. She loved to travel and went on many trips with family and friends. She was passionate about TOPS because of all the great friends she met there. She loved encouraging others to meet their goals and especially loved attending the conventions and meetings with them. Family and her friends meant everything to her. She had 5 children and lovingly brought in 4 of her brother in-law's children into the family when a traffic accident took his life.
