

## Mariah Ray

May 1, 1993 - June 19, 2022

It is with heavy hearts that our family announces the passing of Mariah Ray on June 19th. She passed peacefully in her sleep, due to complications with a known AVM.

She was the light of our lives and a precious wife, mother, daughter, sister and friend. Her memory will live in our hearts as we mourn this devastating loss.

She touched the lives of so many people and we are planning a Celebration of Life 1:00 PM, July 9th at the Okanogan Agriplex that reflects the joy she brought into this world.

At this time, we are not able to respond to calls or messages. Please help us celebrate her life by posting photos and your favorite memories of Mariah.
