“ Marv was such a kind soul, he embraced my husband and Dane thought the world of him. We were Walmart shoppers together and it seemed almost everytime we went to the store in Omak we would see Marv and Dee! Dane and Narv would talk car projects and motorcycles!

I'll miss him so much! We were first cousins I carried his moms name (Joyce) and he my dads (Marvin). Darn him he looked more like my dad than I did.

Rest easy "Cuz" love you forever!
