

Michael Paul DeMers

July 11, 1949 - May 25, 2023

Michael Paul DeMers, age 73, passed away at sunrise, May 25, 2023. Mike, the son of Robert and Bernice DeMers, was born July 11, 1949, and raised in Richland, WA. He graduated from Columbia High School in 1967, attended Washington State University, and graduated with an AA degree from Wenatchee Junior College. After graduation, he moved to Omak, WA, and remained a member of that community until his death. He was a licensed land surveyor and the sole proprietor of Forest Property Consulting Services, Inc. He lived very frugally and simply, relying on a wood stove for heat each winter. His closest companions at home were several Labrador dogs he raised and trained to hunt. He researched his family's genealogy and listened to the Mariners. Mike loved to hunt and fish with friends Ray Miller and the late John Taylor, friends of many decades. He was challenged later in life by mental health issues but the community of Omak treated him with respect and compassion.

He is survived by his sisters, Cheryl Kingen of Spokane and Joni Lewis of Richland; four nieces and one nephew, numerous grand nieces and nephews, and paternal and maternal cousins. The family expresses its profound gratitude to Kellie Davies and the staff and residents at Welcome Home Villa, Mike's residence for the past two years. They enveloped him with warmth and love as his mental health declined.

A private family memorial will be held later this summer.
