

Montana J Dutton

June 28, 1974 - January 31, 2023

Montana Dutton passed after an exhaustive battle with an acute brain tumour. She passed peacefully in her home in Okanogan, Washington, January 31, 2023. She maintained everlasting hope through her naturopathic learnings while being lovingly nursed in the most touching and heartfelt ways by Agustin and Josephine.

She'll be remembered by her family and friends for her naturopathic lifestyle, her devotion to yoga, her advocacy for personal health responsibility, her love of travel, her generosity, her community leadership, her many community deeds and the love of her children.

She was the epitome of adventure, travelling the world, starting out with her jaunt to Alaska in the coolest Volkswagen van after graduating. Montana, Agustin & Josephine made many memories hiking the most picturesque mountains in and around Washington. Soaking in any hot water she could find around the globe from Ainsworth, British Columbia, to Oahu, Hawaii and to Helsinki, Iceland was her style!

Donations and more information can be found about the Glio Blastoma Foundation here:
