“ Nancy and I were long time quilting friends. We shared our love of applique and all things quilting and of course, our love for Dachshunds! She was a good friend, a kind person and I will miss her!

“ The Goodyear family were my second family. I spent many times at their home 🏠. Nancy was my best friend from kindergarten until her passing. She called me every Dec 3rd for 25 years, this was the first time she missed. My husband passed Dec 3, 1996, He and Nancy were good friends, they respected each other. Nancy always had an open door for us. My family considered her part of our family. I will always remember when she came to stay with us when we lived in Glead. We decided that we were going to pick cherries for my husband. Oh boy, we lasted until noon!! Nancy was part of my family. Peggy and Bob were special friends also. Actually we will miss all of the Goodyear family forever. Rest in peace my special friend.
