Patricia Joyce Weitman of Omak Washington went home to be with her Lord and Savior, November 18, 2024 at the age of 66. Known to so many as “Pati Jo”, was born October 4, 1958, to Ralph and Bertha Weitman in Omak. She was the youngest of four children who loved and adored her! After high school she went to Spokane Kinmen Business College and graduated with a business degree. Upon returning to Omak she worked at the plywood factory for Crown Zellerbach for two years. Pati then returned to DeVry University the next year and came home to work at the Okanogan County Assessors office in Okanogan where she worked for 35 years. She was so looking forward to retirement next year.

When not working she spent her time loving and raising her son Levi, spending time with family and reading and studying her Bible. She loved the Lord and was always searching.

She is survived by her loving son Levi, sisters, Judy(Roger) Bevier, Diana Manasco, brother Rod Weitman, 10 nieces and nephews and numerous great nieces and nephews and two great great nieces who all loved her and

cherished her kind ways. She was proceeded in death by her parents and sister in law Donna Weitman.

*I knew Pati for a lot of years when I worked at the courthouse one floor above her. We would have lots of breaks outside through the years and got to keep up on each others lives. I really enjoyed those times with her. We would have lots of laughs on those breaks. I am so sad she didn't make it to retirement and get to enjoy all the free time she was looking forward to. She was a kick and so very nice. I am really going to miss her.*

*I enjoyed our visits at Conconully Camp. She was always willing to lend a hand, or share a laugh. So sorry to hear she has left us but know she is secure in the arms of her Savior.*

*I met Patti back in the mid 70s at the Omak High School. She was a few years older than me and was the instructor for the Drill Team and Pep Club. I loved her raspy voice, like Janice Joplin. We shared the same name so when we'd see each other, she would say Hi Patty and I would respond with Hi Patti, we'd both laugh. Rest in Peace beautiful lady.*
