“ *Peter is one of few people that I consider a true friend and it really saddens me to hear this news. We knew one another in high school and music was our connection. In college I needed a summer job and applied at the USFS Winthrop Ranger District. At the fire fighting orientation meeting I saw Peter and we immediately struck up a great friendship and this time it was our love for Christ that brought us close. We decided to rent a trailer in Winthrop for the summer. He was a great conversationalist and loved to play chess. Pete and I worked three summers together. He was a Godly man with a great attitude despite some of the harsh conditions we were in fighting fires. Thanks for being a friend and brother. I'll see you in heaven!*

“ *I am so sorry, to hear of Peter's loss. :(*

He was always a very bright and cheerful person. He was a wonderful accompanist, a true Christian, and a true musician through and through. He was a very helpful member of the OVOC Choir. And, he had us sing Christmas carols. We greatly appreciated him. And again, I am so very sorry, to hear of his loss. :(

Blessings! :)
