“ Gary and I still vividly remember seeing every morning a young boy, with handsome long braids, walking with his mother on the country road. They both loved being outside in nature. Rhonda deeply loved Lewis. She would attend every basketball game she could in his high school years. We count it all joy to have known her. "Above you is the Lord's covering, Beneath you are His strength and security, And around you are His arms of love". With heartfelt sympathy, Wildbears
