“ *Sundown was a beautiful woman who always worked to make life better for the Colville Tribes and her family. I admired her professionalism and intellect. All of her co-workers and friends admired her greatly. She worked with my father at the Mill Bay Casino and love to tease him. Sundown left us too early in life, yet I am comforted knowing that she will be joining folks that loved her good humor and bright smile. With heartfelt condolences to her children and family.*
