“ My heart breaks to hear the news tonight. The Hubbard boys and Desi were family and meant a lot to mine back in the day. The fun we had including the shenanigans we got into, the songs we sang and listened to, the dancing we did, the drive in-enough said, the teenage parties, dancing, the laughing and boy, TJ's smile. Wasn't his smile the best?! Its been a long time since Ive seen my friend, but I think of him often. Having his nephews in class multiplied those memories. I will miss my old friend. I hope he'll be waiting at the gates. My thoughts go out to all of you.
