“ I only learned today of Robin's passing. I always appreciated his kind and cheerful demeanor the ten years I worked with him at Okanogan County. Robin was among the best employees in the group, a great work ethic always trying to do his best, and his best was great. Many condolences to his wife Kay (we grew up as neighbors) and his family.

“ Robin was a great husband, father, grandfather & was able to meet his great grandson shortly before he passed. He did all the things with his sons that fathers should do. Taking interest in their sports and going camping, fishing and snowmobiling and taking them on trips to Disneyland, Alaska and Yellowstone where he got chased by a moose. He included my son and I in most of these activities. He was more like a brother than a brother-in-law to me. He was a very good man. Vicki.
