

Willam Jack Heggie

May 11, 1954 - July 5, 2025

William J Heggie, better known as Jack, left this world Saturday morning, July 5, 2025, while at Central Washington Hospital in Wenatchee.

He was born in Richmond, California on May 11, 1954, to Harlan and Gereldine Heggie. Following his father's unexpected death, the family moved to Omak. A 1972 graduate of Omak High School, Jack worked as a USFS employee, for his brother Bobbie at Omak's Union 76 service station, as a beer truck driver, as a card dealer, and as an owner/operator of Auto Fresh Detail in Omak along with his wife.

As a retiree, he enjoyed restoring cars in his own garage, most notably a pair of '67 Chevy Camaros, a mid '60s Chevrolet wagon, and various classic Chevy pickups. He travelled to as many car shows as he could, even as late as June of this year, in spite of suffering from small cell lung cancer. He was proud to be a member of the North Country Car Club. A procession of their cars will follow the hearse from the funeral home to the cemetery for the graveside service.

Many summer weekends, even just after returning home from a car show, he spent with family and friends at a cabin above Lost Lake that he, Laura, and many others had worked on, beginning in the early 2000's. July always had him picking huckleberries on the mountainside.

He was preceded in death by his parents, Harlan and Gereldine, his grandparents, Cleo and Cecil Wilson and Bill and Elva Heggie, as well as his brother Bobbie, he is survived by his wife, Laura, his sister, Tammy Myers Dunckel (Phillip), and his brother Dan Myers (Tracy).

As well, he is survived by his son, Monte Heggie (Paige), his daughters, Kristen Elsberg, Lynell Anderson, and Candice Smith (Brandon), and his grandchildren, Kaylene, Alex, Brantley, Tiffany, Bailey and Nathaniel. Great-grandchildren are Sunny, Mitchell, Breezy, Lukas, and Stormy. He was survived by many dear cousins, nieces and nephews.

His brothers-in-law, Chris, Glenn and Pete Cohoon as well as sister-in-law Lisa Stosch held a special place in his heart. He was always happy to see his good friends from the Omak Class of '72.

We will miss him.

Graveside Services will be 11:00 AM, Friday, July 11th 2025 at the Okanogan Valley Memorial Gardens in Okanogan, WA. A reception is being held at the Omak Elks after the service.

“*Laura, like Glenn, we remember several suicide races, parades and walking around in Omak with you and Jack. His smile and friendliness gathered folks around him. So sorry we were not about to be at his memorial. I'm sure it was epic, like him, and we know he's working on and talking about vintage cars in heaven. Love you.*

❤️😭

“*Dear Laura,*

Lisa, with whom and Bob we just spent a couple of days together in Bilbao on their way back from the “Camino”, informed me about the so sad news about Jack. With this short message, I just would like to send you a few words to share my friendly thoughts with you in this painful moment. The loss of your husband is an intense and difficult time. Nothing compares to the love of a spouse, and I can imagine your despair and pain.

Know that where he is, he is no longer suffering. This departure on a long journey also reminds us of the importance of the people we love.

Despite the long physical distance, be sure that my mind and my heart are close to yours.

Claire joins me to send our sincere condolences to you and your loved ones.

Yours vey truly and very friendly,

Claire and Daniel Camerini

“ *I remember Jack taking us up to suicide hill and we meeting an Indian friend he knew who had been in the competition previously. It was quite a privilege looking from that beautiful clifftop experience in Omak and knowing Jack had a lifetime of memories there.*
